

WELCOME

To second grade!

July, 2023

Dear Families,

Welcome to Second Grade! My name is Katie Morris and I will be your child's second grade teacher for the 2023-2024 school year. I have been a teacher for four years and have taught a variety of grade levels. This is my first year at Centreville Elementary and I am very excited to be a part of the CES family and get started on the new school year!

I attended Salisbury University and graduated with a BS in Elementary Education and am currently taking classes to obtain my Master's in Education through La Salle University. I grew up in Talbot County and currently live in Easton with my husband, Nick, and our two dogs. I love spending time outdoors playing with my dogs, going for walks, and being on the water. Some of my favorite things include shopping on Amazon, Dunkin' Donuts, milk chocolate, sour patch kids, and Chic-Fil-A!

To help get the year started, I have included a copy of our 2nd grade supply list on the back of this letter for your convenience. I want to thank you in advance for helping to make your child's school year a success.

I look forward to meeting you and would love for you to join us for our meet and greet on August 25th from 1-3 pm. This will be an informal time to meet your teacher, see the classroom and drop off supplies. We will have a formal back to school event on September 21st from 5:30-6:30. I feel it is very important to keep an open line of communication so please reach out with any questions or concerns. My email is: katie.morris@qacps.org.

I am so excited to be working with you this year! Enjoy the rest of the summer and I will see you soon!

Sincerely,

Katie Morris
