

COVID-19 PreKindergarten Registration Updates and Procedures

Public school prekindergarten programs in Maryland must serve children from economically disadvantaged or homeless families. If seats remain available after all economically disadvantaged children have been enrolled, the system may enroll children who may have other school readiness needs.

During the COVID-19 school closure, QACPS will not be hosting in-person PreK registration. Families are encouraged to begin the process by visiting our Website www.qacps.org and taking the following steps:

1. Click on the green square “Student Registration 2020-2021 School Year

2. Click on the link that meets your needs under ***PreK and Kindergarten Registration for the 2020 - 2021 School Year.***
