Chromebook Log In to Google

Turn on the chromebook and log in to Google
firstname.lastname@student.qacps.org  username  The ending part will be there already.
password

From there  use the qacps student bookmark and the top left of the screen and scroll down to schoology

Bookmark is the best choice

Once on Schoologys he needs to use her same username and password to log in but  may already be logged in,  From there you will have access to your teachers class as well as specials. Google meets will need to be opened in another tab and going to meet.google.com
