Sudlersville Middle School
Transportation Authorization for SMS Late Bus

Through our Title I Grant, Sudlersville Middle School will continue to offer transportation for your child to stay after school for anything from academic tutoring, make-up exams, band/choir or many other opportunities. The buses will run on Mondays, Wednesdays and Thursdays for this school year. Teachers/Staff will contact you should your child be asked to stay after school. There is no charge to Sudlersville Middle School students for this service.

In order to access the buses, parents/guardians must complete the bottom portion of this form. This will give permission for your child to ride the bus at any time throughout the 2019-20 school year.

Procedures for using Transportation
Once the student transportation authorization form is on file, students may begin using the late bus under the following procedures:

1. Teachers will contact parents in advance and receive verbal/written permission for students to stay in order to receive tutoring, individual assistance with a project, retakes, or any other after school activity.
2. The student attends the activity following all school rules and expectations and will be dismissed from the classroom at 4:10. SMS late buses depart at 4:15.
3. Parents will ensure students know which stop to utilize and arrange for transportation from that location. (The list of bus stops are attached.) Please note: This bus route differs from the regular school day transportation and may not be as extensive. If your home is not on the after school bus route, you must come to meet your child at the closest stop.
4. Transportation is a privilege and may be revoked at any time due to misconduct.

Bus routes and additional information will be posted on our website: sms.qacps.org

Please contact us with any questions at 410-438-3151.
