

Dear Kent Island High School Families,

Welcome to Semester 2! Final Semester 1 report cards will be emailed to you on Friday. As always, please review these documents and contact our teachers or school counselors with questions or concerns.

Our KIHS PTSA continues to provide amazing support to our students, staff, and school faculty. Please consider supporting our PTSA through your membership or willingness to volunteer. Membership forms can be found within both of our main offices. Our PTSA will be holding officer elections in May and are in need of candidates and election committee members. If you are interested, please contact Mrs. Nancy Mulligan at [mulliganmn@verizon.net](mailto:mulliganmn@verizon.net). The next executive meeting will be held Monday, February 11 at 3:00PM in the cafeteria at the Main Campus.

As our winter sports teams enter the last weeks of their seasons and prepare for the playoffs, we are preparing for our Spring Sports Orientation on February 21. The evening will begin at 6:30PM with a short general meeting intended for new athletes only. During this general session, Mr. Harding and I will share information about required paperwork, expectations, and try outs. If your student has participated in a high school sport, there is no need to attend this general meeting. Individual team meetings, beginning at 7:00PM, should be attended by all athletes. Spring sports practices begin on March 1! Please visit our website, [www.kihigh.org](http://www.kihigh.org) for the most up to date information regarding times and locations of tryouts and practices.

"Mary Poppins" will be coming to our stage beginning March 1! We hope you come out and see this musical production featuring many of our talented students. You can access all the dates of the show on our website and you can even be linked to a program to purchase your tickets.

Our 6th Annual 2<sup>nd</sup> Semester Virtual Back to School Night videos are almost ready! We will send a separate email once our videos are posted.

On March 7, the Q3 Interim Reports will be emailed to you. Please review these reports with your child and contact his or her school counselor or teacher with questions or concerns.

Please take a minute to review the document prepared by our school nurse, Michelle Messier, regarding when to keep your child home for illness. The link is below. Please contact her with any questions or concerns.

I have also attached the link for our February calendar. This information can also be found on our website. And as always, please do not hesitate to contact us when needed.

Go Buccaneers!

John R. Schrecongost
