

Dear Kent Island High School Families,

Welcome to June!

Once again you will need to update your information in our database by completing **the 2019-2020 Back to School Forms within InfoSnap**. You should be receiving email reminders that provide a direct link to the form as well as providing you with your SnapCode. You can also access the forms through the green box on the Board of Education website that is labeled, "Back to School Forms & Registration".

Please keep in mind that you will not have access to your ParentPortal account, and we are unable to distribute student laptops until you have updated these forms. We are striving for 100% completion by the end of July. **Please take a moment to update now.**

In an effort to reduce building expenses all schools and central office will be closed on Fridays beginning June 28 through August 16.

Summer school will be held at Chesapeake College during the month of July. Transportation from KIHS will be provided to Chesapeake College. School counselors will communicate with students and families that are being recommended to take classes this summer.

Student schedules will be emailed home the week of August 5. Final schedules will be emailed again the week before school starts. That will be the schedule students follow the first day of school.

We have included a link below advertising an event being sponsored by Matapeake Middle School regarding tobacco use, electronic smoking devices, and other harmful drugs.

Final exams are as follows:

June 12 – Year long classes

June 13 – Period 1 and Period 2 Final Exams, 12:45PM Annex/ 1:00PM Main Campus Dismissals

June 14 – Period 3 and Period 4 Final Exams, 1:00PM Dismissal
Laptop Collection

June 17 – Make up Final Exams Only

Final report cards will be emailed home the week of June 24th.

Please continue to monitor our website for updates throughout the summer. And on behalf of our entire faculty and staff, I thank you for another successful year here at Kent Island High School. Have a safe and enjoyable summer.

John R. Schrecongost
