Dear Kent Island High School Families,

Welcome to June!

We have only 8 days of instruction until the close of the 2019/2020 school year. As you know, final exams will not be administered this semester. June 10, 11, and 12, the scheduled exam days, will be additional days of learning that each teacher will use at their discretion. Our students may be learning new material, reviewing, or even preparing for the next sequential course.

A few important dates and events:

- Student schedules for the 2020/2021 school year will be emailed home the week of August 3. Final schedules will be emailed again the week before school starts. That will be the schedule students follow the first day of school.
- Information pertaining to summer school and other summer learning opportunities will be sent as we receive.
- Final report cards will be emailed home the week of June 22nd.
- As of today, we do not plan to collect textbooks, calculators, computers, etc. until we return in the fall. If that changes, we will share that information as received.

Once again you will need to update your information in our database by completing the **2020-2021 Back to School Forms within InfoSnap**. You should be receiving email reminders that provide a direct link to the form as well as providing you with your SnapCode. You can also access the forms through the green box on the Board of Education website that is labeled, “Back to School Forms & Registration”.

Please keep in mind that you will not have access to your ParentPortal account until you have updated these forms. We are striving for 100% completion by the end of July. **Please take a moment to update now.**

**PSAT and SAT Updates for 2020-2021** - Due to COVID-19, College Board cancelled all SAT administration this spring. As a result, Juniors were unable to participate in the School Day SAT administration on April 14th. In order to allow our current Juniors the opportunity to participate in the SAT, we have scheduled a School Day SAT administration for the Class of 2021 on
September 23. During the 2020-2021 school year, PSAT and SAT will be administered at KIHS on the following dates.

- September 23, 2020---School Day SAT Administration for Seniors (Class of 2021)
- October 14, 2020---PSAT Administration for Sophomores (Class of 2023)
- March 24, 2021---School Day SAT Administration for Juniors (Class of 2022)

Below is a letter from the Maryland Department of Health regarding immunizations. Within this letter is a link to access and print your child’s immunization record. These records are accepted by schools, camps, daycare facilities, state agencies and other organizations that require proof of immunization.

In an effort to reduce building expenses all schools and central office will be closed on Fridays beginning June 26 through August 14. Office hours during the summer are 7:30AM - 3:00PM.

We wish you a successful end to this school year and wonderful summer. Please contact us anytime if needed.

John R. Schrecongost

MD Health Department Letter
