Dear Kent Island High School Families,

Welcome to Semester 2! **Final Semester 1 report cards** will be emailed to you on Friday. As always, please review these documents and contact our teachers or school counselors with questions or concerns.

Scheduling for the **2020/2021** school year has begun. Our school counselors and I will be meeting with each of our classes next Monday, February 10, to discuss the scheduling process. It is our hope that you will work with your student throughout the week next week and select courses for next school year. We ask that you complete the course selection process by Friday, February 14. I have listed below some important dates.

- February 10 - Class scheduling information meetings
- February 14 - Scheduling window closes
- February 24 - March 6 - Counselors meet with individual students to solidify course requests.
- Schedules will be emailed home periodically throughout the summer.

**QACHS** will be hosting their open house on February 19 beginning at 6:00PM. If you are interested in a CTE pathway being offered at QACHS, this is a great opportunity to get information and to meet with teachers.

Our KIHS PTSA will be meeting on Tuesday, February 11 at 3:00PM. All are welcome to attend.

As our winter sports teams enter the last weeks of their seasons and prepare for the playoffs, we are preparing for our **Spring Sports Orientation** on February 20. The evening will begin at 6:30PM with a short general meeting intended for **new athletes only**. During this general session, Mr. Harding and I will share information about required paperwork, expectations, and try outs. If your student has participated in a high school sport, there is no need to attend this general meeting. Individual **team meetings, beginning at 7:00PM**, should be attended by all athletes. Spring sports practices begin on February 29! Please visit our website, [www.kihigh.org](http://www.kihigh.org) for the most up to date information regarding times and locations of tryouts and practices.

The Science National Honor Society will be hosting a **trivia night** on February 28 from 6:00PM - 8:00PM within our cafeteria. Admission to the event is free. There will be 3 rounds: Beginner, Intermediate, and Advanced. The beginner is for kids, grades 5 and under. The Intermediate is open to anyone, as is the Advanced. The winners of each level will receive prizes. Door prizes and raffle prizes will also be available for participants to win.

**“The Wizard of Oz”** is coming to our stage in March featuring an amazing “Yellow Brick Road” and a real live Toto! Tickets are available for purchase now on our website. We hope you come out and see this musical production featuring many of our talented students.

Our **7th Annual 2nd Semester Virtual Back to School Night** videos are almost ready! We will send a separate email once our videos are posted. These videos are great resources while we begin our semester and as you start the scheduling process for next year.

On March 6, the **Q3 Interim Reports** will be emailed to you. Please review these reports with your child and contact his or her school counselor or teacher with questions or concerns.

As you know, it is the cold and flu season! I have attached the link to access a letter from Dr. Kane regarding staying healthy this winter. Please take a moment to read. And as always, please do not hesitate to contact us when needed.

Go Buccaneers!

John R. Schrecongost
