GRADUATION TICKETS & SEATING

Each graduating student will receive 8 tickets total, 3 green for ground seating and 5 gold for bleacher seating. If the weather does not cooperate and the ceremony is moved indoors, the gold ticket holders will be seated in the gymnasium and the green ticket holders will be seated in the auditorium.

Reserved seating on the field will be available for anyone with a physical impairment. The reserved seats will count as part of the 8 tickets each student receives. If the ceremony is moved indoors, these seats will be located in the gymnasium. Due to limited space, we can only seat one family member with that guest. Please contact me via email if you have a family member that will require reserved seating no later than May 11th.

Additionally, if your family does not need all 8 tickets, you may reach out to me via e-mail and I will adjust the amount of tickets your student receives in their envelope, or you may give your extra tickets to a family who needs them.

kathleen.michaels@gacps.org

*Please note, if your student has any outstanding financial obligations including lunch charges, they will not receive their tickets until all financial obligations have been met.

You may contact Ms. Bowser, our financial secretary, via email with any questions or concerns.
