## SPRING SPORTS SCRIMMAGES

Scrimmages are underway as we continue the preseason. Boys lacrosse and the tennis teams have had successful scrimmages, with players and coaches alike preparing for the upcoming season. On Thursday, the baseball teams take on North East High School and softball will travel to Smyrna. This weekend the lacrosse teams travel to separate tournaments to see action against a number of different teams!

The weather has plagued us with especially poor conditions to start the season. Thanks to our parents and families for making last-minute adjustments as we try to navigate what has been an eventful start to the spring season!
