

How it works...

Step 1

Student witnesses unsafe or suspicious activities.

Step 2

Student sends an anonymous text message using school's unique KEYWORD (CENTREVILLEMS) followed by message to 68398.

Step 3

Student receives auto response that their message has been received and further information will be obtained through two-way text chat.

Step 4

If student has pictures or video they will receive instructions for sending them.

Step 5

Text message and email will be sent to school contact providing detailed information and pictures/video if available.

Step 6

School administrator will follow-up as appropriate.

At all stages student identity will remain confidential!
