A SHORT HISTORY OF PUBLIC SCHOOLS
IN QUEEN ANNE’S COUNTY

Prior to 1723 no provision for public instruction was made in Queen Anne’s County. In 1723 the General Assembly of Maryland passed a law that required all Maryland counties to establish one school in each county “as near the center of the county as might be…” and “…as may be most convenient for the boarding of children.” (Emory, 1950) In Queen Anne’s County that area was deemed to be land near present day Queenstown. The small school was completed in 1725. Its objective was to provide an education for a maximum of 10 male students who could afford to pay for tuition and board. This school remained operational until the 1780’s. The school served as a precursor to a number of private educational academies that sprung up around the county in the early nineteenth century, such as the Sudlersville Academy founded by Simon Newcomb, the Centreville Academy, and the Church Hill Academy.

In 1825 an Act was passed by the Maryland General Assembly entitled “An Act to Provide for the Instruction of Youth in Primary Schools throughout the State.” Based upon this law, citizens located throughout all geographical areas of Queen Anne’s County began to build schools and employ teachers in order to provide their children with an opportunity for an education. By 1832, 27 school districts were established. Each district had three trustees whose duties involved supervision of their schools and whose powers included recommending teachers and levying of taxes for the support of these schools. In addition, there were six commissioners of the school fund appointed by the Orphans’ Court by virtue of an Act of the General Assembly of Maryland. These appointed trustees were responsible for the county-wide educational program and were the forerunners to the current Queen Anne’s County School Board. (Record-Observer, 1958)

By 1868 The Queen Anne’s County School Board moved to establish one school in each election district. If a school did not exist within an election district, one was then established. In 1878 Queen Anne’s County required all schools to have at least 10 students attending classes within each school building on a full-time basis in order for the building to be considered a school. Based upon this law, by 1914 there were at least 77 schools located throughout the county. Four high schools were in operation. These secondary schools were situated in Stevensville, Centreville, Sudlersville, and Queen Anne’s. A very short time later the town of Church Hill established a high school. (Record-Observer, 1958)

By the late 1940’s and continuing into the 50’s and 60’s many of the 77 schools were consolidated. It was thought that the “Superintendents” could not visit and manage so many such schools. Therefore, in 1958 based upon the recommendation from a citizen planning committee and board action, 10 elementary schools and four high schools were formed and became operational within the district. In 1966, the partially completed Queen Anne’s County High School opened. The school was built to unite all county high school students and consolidate them into one building. The older geographically-based high schools were renovated and opened to house students who were in grades 5th through 8th. Based upon current educational research, the grade band was later adjusted by returning 5th grade students to elementary schools. Finally, Kent Island High School was opened in the late 1990s in order to accommodate an increase in the Kent Island student population.

Today, Queen Anne’s County Public Schools, operates 14 schools, with approximately 7,800 students and 1,030 full-time employees, half of whom are teachers. The public schools are funded through federal, state and local taxes.

Executive responsibilities are administrative in nature, involving the implementation of policy or statutory responsibilities of the Board. Examples include the appointment of certificated personnel, the evaluation of the superintendent, and the election of Board officers.

Quasi-judicial responsibilities occur when the Board considers and rules on matters of appeals from students, employees, or other individuals adversely affected by a school system decision.

The authority of the Board is collective and not individual. Except where the Board has delegated decision-making to one of its members, individual Board members cannot act on behalf of the board.

ADDITIONAL RESPONSIBILITIES

Board of Education Members’ Attendance and Participation in Commencement Ceremonies
One of the culminating activities of each school year are the high school commencements. It is expected that Board of Education members will be in attendance and on the dais at each ceremony and may be asked to speak or simply to “bring greetings” on behalf of the Board. Board members may be asked to help with the distribution of diplomas or simply to shake hands with graduates. However, each high school is responsible for setting the procedures for its own graduation.

Board Members’ Visits to Schools
Board members may visit schools to better know and understand the scope and individuality of schools in the system. Prior to a visit, the Superintendent and school principal must be notified of the visit both as a courtesy and so that it may be determined if it is an appropriate time to visit. Board members are expected to be courteous, respectful, and supportive toward staff, students and parents at all times. It is important to recognize that the day-to-day administration of the schools and the right to make corrections or suggestions for change do not fall under a Board member’s responsibility.

On occasion, the Board may decide to hold one of its meetings in a school. This will be a decision of the Board and Superintendent and the place and time of the meeting will be appropriately publicized.

Meetings with Public Boards and the Legislative Delegation
The Board of Education and the Board of County Commissioners generally meet annually on a jointly developed calendar day.

The Board of Education will host a meeting of the elected members of the Queen Anne’s County Delegation of the Maryland State Legislature. This meeting will be held annually in the fall of the year to discuss upcoming legislative issues and to apprise the Delegation of current needs that might be addressed at the State level. This meeting will be hosted by the Board of Education of Queen Anne’s County at a location to be determined each year.

Work sessions, as needed, are held as specified below unless notice to the contrary is given at a previous business meeting.

*Meeting times will be announced.

The place for such business meetings will be at the Board of Education Board Room unless otherwise publicized.

The President, as needs arise, calls special meetings; all Board members shall be duly notified.

Presentations by staff should not be repetitive of the written paper; rather, the highlights of the paper and recommendations shall be made in a manner that allows sufficient time for the Board to discuss the agenda item.

**Attendance**
Board members shall report to the President on such occasion when they find they must be absent from a meeting.

**Agendas and Board Materials**
An agenda will be prepared for each meeting. Board members may submit items for consideration for
placement on the agenda. The agenda will be developed by the Superintendent and approved by the President.

The deadline for submitting items for inclusion on the agenda for business meetings is five (5) days prior to the date of the business meeting. Agendas for business meetings will be posted on the Queen Anne’s County Public Schools website (http://www.qacps.org) and will be printed and available to the news media.

Agendas and back-up materials are available on the Queen Anne’s County Public Schools’ website the Friday preceding the business meeting date. Board meeting materials are not released to the public until Board members have received them. Press packets are normally available at the regular Board meetings.

Agendas for special meetings will be made known at the time the special meeting is called.

A continuous listing of future agenda items is maintained. Information on topics to be discussed is made available to the press, staff, and public through the Queen Anne’s County Public Schools website.

Board members who need additional information should contact the Superintendent prior to the meeting. If a Board member believes it would be appropriate for staff members to answer questions during the meeting, they should alert the Superintendent to provide knowledgeable staff at the meeting to answer those questions.

**Format for Agendas**
The following format will be a guideline for the preparation of regular agendas; the President may modify the sequence of items:

1. Opening of Meeting (motion to move into Closed Session if necessary)
   a. Call to Order and Declaration of a Quorum
   b. Approval of Agenda
   c. Approval of Minute
2. Open Session Reconvenes
3. Recognitions
4. Board/Staff Involvement
5. Citizen Participation / Public Comment
6. Presentations
7. Current Action Items
8. Break
9. Information Items
10. Future Action Items
11. Citizen Participation // Public Comment
12. Future Meetings & Events
13. Adjournment

**Citizen Participation**
During the first meeting of each month, time will be allowed for citizen participation. The President may elect to give any member of the audience an opportunity to speak to any item on the agenda, to express an opinion or to comment on any matter that relates to the Queen Anne’s County Public Schools.

An announcement will be made at the beginning of the business meeting that any citizen wishing to address the Board should sign in prior to Citizen Participation time. When their name is called, citizens are asked
to come forward and state their name and address for the record. In order to allow time for all citizens to speak, the Parliamentarian will advise citizens of the amount of time allowed for their comments.

We ask all speakers to keep in mind the following guidelines:

- Speakers should sign the roster including their telephone number and address.
- Comments should be limited to the following:
  - Organizations/ Municipalities/Elected Officials 5 minutes
  - Individuals 3 minutes
  - Comments longer than your allotted time should be submitted in writing.
- Questions or statements to the Board should relate to a recent agenda item, an agenda item that is expected to appear in the future, or a matter of general policy over which the Board has authority.
- Please do not discuss items related to negotiations. Those items are to be discussed at the bargaining table.
- This is not the proper venue to address specific student or employee personnel matters, especially those matters on legal appeal to the Board. Comments about the actions or statements of individual staff members are not appropriate for Public Comments and should be referred to the Superintendent of Schools or processed through available channels.

Citizen Participation is not intended to be a question and answer session. If you have specific questions, the Board will make sure an appropriate staff member responds to your questions at a later date. The Board respects your desire and right to convey your message freely but asks as a courtesy to this Board and our citizens that you respect the Boards’ request to refrain from naming citizens and name calling when offering your critique.

**Conduct of Board Meetings**

All final official action of the Board of Education of Queen Anne’s County shall be taken at a public meeting, the minutes of which will likewise be public. A quorum, consisting of three (3) members, must be established for each meeting. No motion or resolution can be adopted or approved without the affirmative vote of at least three (3) members of the Board of Education. The votes shall be taken by a show of hands. Voting rights shall be limited to members actually present at the public meeting at which the vote is taken, except as noted herein.

Except as otherwise provided for in this Handbook, meetings shall be held in accordance with the current edition of *Robert's Rules of Order, Newly Revised*.

**Closed Sessions of the Board of Education**

All meetings of the Board of Education shall comply with the current edition of the Open Meetings Act Manual issued by the Office of the Maryland Attorney General.

The President and Superintendent will decide who may be present at closed sessions other than members of the Board of Education. A quorum must be established for each closed session meeting or quasi-judicial hearing. Three members of a 5-member Board shall constitute a quorum. If there are 4 members on a Board, three members shall also constitute a quorum. If there are 3 members on a Board, two members shall constitute a quorum. (If there are less than 3 members, a quorum will not be established, and a closed session meeting or quasi-judicial hearing cannot be held.)
No motion or resolution can be adopted or approved at a closed session meeting or a quasi-judicial hearing without the affirmative vote of at least a majority of those members present.

Except with respect to matters constituting an administrative function or a quasi-judicial function, all final actions will be taken at a public meeting, the minutes of which will likewise be public.

The following are the guidelines for closed sessions:

1. The President, at the request of any Board member, or the Superintendent of Schools, may call closed sessions at any time. However, the Board must take a public vote to go into closed session and must give public notice of the meeting by delivering a notice of the date, time, and place of meeting to the news media or posting the notice at the meeting site.

2. The presiding officer shall conduct a recorded vote on the closing of the meeting and shall make a written statement setting out the reason for closing the meeting, the specific provisions of the Open Meetings Act that allows the meeting to be closed, and the topics to be discussed at the closed session.

3. It is the responsibility of Board members to monitor the topics discussed in closed session to assure that the topics discussed are appropriate for closed session.

4. Board members and staff are expected to maintain the confidentiality of closed session.

5. The Board Clerk is responsible for recording minutes of each closed session. The Board will strive to approve minutes at the next closed session. If the Board Clerk is not in attendance, then an Executive Secretary designee will take the minutes.

Administrative Function
Administrative function meetings are not open to the public and are exempt from the requirements of the Open Meetings Act. Administrative Functions are acts taken to discuss how to administer a law, rule, regulation, or bylaw of a public body that do not constitute an advisory, legislative, or quasi-legislative function. Topics under this exemption could include an update from the school system’s internal auditor; the scheduling of an appeal hearing; or a briefing from the Board’s attorney on the status of EPA compliance issues.

Special Meetings of the Board of Education
The Board may hold special meetings at the request of the President of the Board. These meetings are usually called to consider more information than is usually possible during the time constraints of regular meetings. Where possible, Board members will be given 24-hours’ notice. The meeting should also be publicized through regular channels. Whenever possible, meetings dates will be determined in consultation with Board members. These meetings may be work sessions, policy development sessions, public hearings, or public forums.
Guidelines for Board Reports
When staff prepares written reports for the Board, they will adhere to the following guidelines:

- State the Pros and Cons of the situation/topic/issue
- Specify as many options as possible for the Board to consider
- Provide information on fiscal impact, if any
- State the recommendation of staff
- Keep the report as brief as possible. One page is preferred, although it is understood this is not always possible

Reports of fact that are for the sole purpose of reporting information will usually not require establishing pros and cons. Reports that go to the Board for discussion and those that will return to the Board for action should always follow the guidelines.

3. Minutes of closed sessions shall include each item considered, the action taken on each item, and each recorded vote.
4. The recordings of public meetings are available as a matter of public record and can be accessed through the Board’s website and qactv.com/Board of Education Meetings.

**Board / Staff Communication**
Effective, consistent communication between the members of the Board of Education and the Superintendent and/or staff is essential to provide the Board with the information necessary to make sound, informed decisions. Honest, open communication also enhances trust and respect between Board members and the Superintendent.

Board members are in contact with the citizens of the county on a regular basis and hear many concerns of which staff members are unaware. Board members have a responsibility to communicate expressions of public reactions, comments, concerns, criticisms, etc. to other Board members and to the Superintendent.

Whenever possible, requests for information from the Superintendent/staff should have the consensus of the members of the Board of Education. However, items come up between Board meetings, and Board members may differ in their interests and desires. Therefore, individual Board members are encouraged to raise questions and to express their concerns.

In order to fulfill their duties and responsibilities and to make effective decisions that are in the best interest of students, staff, faculties, and the Queen Anne’s County Public Schools, Board members must be fully and completely informed. Discussion, questions, and dialogue must occur among Board members, between the Superintendent and staff members, and between Board members and the Superintendent.

The Superintendent and staff are responsible for ensuring that Board members receive the information necessary to effectively set policy for the school system. Responses to questions, inquiries, and concerns must be provided in a thorough and timely fashion. Responses may be oral or written.

**Communication from Board Members to Staff**
Requests for information, reports, presentations, work sessions, shall be directed to the Superintendent. Exceptions to this provision are as follows: the information requested involves the Board member’s own child /children.
Board of Education Correspondence and Memoranda Procedure

E-mail addresses of Board Members and Superintendent of Schools will be maintained on the Queen Anne’s County Public Schools website.

Public Access to Correspondence and Memoranda

1. All correspondence and memoranda addressed to the Board of Education, the Board President, or to Board Members that are received in connection with the transaction of public business are available for public inspection at reasonable times unless they meet one of the criteria for denial in Maryland’s Public Information Act (Annotated Code of Maryland, State Government Article, Sections 10-611 et seq.)

2. The Superintendent of Schools is the official custodian of the records with the authority to delegate this responsibility.

3. The requestor of records may be charged fees to cover the cost of searching, preparing, or photocopying a public record.

4. If the request for public records is denied, the reasons must be consistent with Maryland’s Public Information Act.
Negotiations
The Board of Education engages in contract negotiations with the Queen Anne’s County Education Association (QACEA), which represents certified and support-staff, Queen Anne’s County Administration and Support Association.

By law, the Board of Education is permitted to meet in closed session to discuss issues related to contract negotiations with employee organizations. It is required that Board Members maintain the confidentiality of issues during closed session.

Personnel

Board of Education Member Recommended Appointments

Maryland Association of Boards of Education (MABE)
MABE is a private, non-profit organization dedicated since 1957 to supporting and improving public education in Maryland. It provides continuing education, advocacy, and assistance in many areas to the board of education and assists local boards in keeping abreast in educational developments in Maryland as well as throughout the nation. The Board of Education of Queen Anne’s County is a member of MABE and its members serve on many MABE committees. On an annual basis, appointments are made to the following MABE committees:

- Board of Directors (elected by members of MABE)
- Budget/Planning Committee
- Legal Services Association
- Legislative Committee
- Nominating Committee
- Resolutions Committee

Personnel Appointment Procedures

1. Under Section 6-201 of the Education Article, it is the responsibility of the Superintendent of Schools to recommend the appointment of personnel to administrative and supervisory positions. These appointments are discussed by the Board of Education in closed session and confirmed by majority vote in public session.

2. The Superintendent of Schools also notifies the Board in advance of the transfers of personnel to administrative and supervisory positions.

3. The Board of Education also receives and reviews a monthly personnel report in closed session and takes a public vote on the report. The report contains appointments of administrative and supervisory personnel, teachers and supporting services personnel, emergency coaches, terminations, for all personnel, and notice of suspension and dismissal actions.

Citizen Concerns or Complaints Regarding Queen Anne’s County Public School Employees
Under Section 4-205 of the Education Article, the Superintendent is responsible for supervising employees. When concerns are brought to the attention of individual Board members or the Board of Education, the concerns should be forwarded to the Superintendent for review and action, if warranted. Should the Superintendent take disciplinary action in any case, ranging from a letter of reprimand to a recommendation for dismissal, the employee has the right to file an appeal to the Board of Education. This is the primary reason the Board of Education does not initially investigate the matter or make an initial decision about the
employee. Also, it is the responsibility of the Superintendent to investigate, not the Board’s. If a Board member becomes involved in an employee investigation, it is the Board member’s ethical responsibility to recuse himself/herself if a hearing becomes necessary.

Issues involving school system employees shall be forwarded directly to the Superintendent. The Superintendent or designee shall review the matter.

**Employment of Independent Professionals**

**Legal Counsel**
The Board of Education of Queen Anne’s County may employ the services of attorneys to represent it in legal matters affecting the Board of Education.

**Certified Public Accountant**
The Board of Education of Queen Anne’s County shall employ the services of a Certified Public Accounting firm to provide that an annual audit of financial transactions and accounts of the Board of Education be made. **Payment of Legal and Auditing Fees**
The operating budget for the Board of Education shall contain a request for funds to pay for the services of legal counsel and the services of a certified public accounting firm.

Board Member Expenses

Purpose
The following guidelines are provided to help Board Members make decisions regarding travel expenditures that will:

- Result in the lowest total cost
- Meet all necessary business objectives
- Provide convenience and safety for travelers

Objective
It is the Board of Education’s intention to reimburse Board Members for reasonable business expenses incurred during the execution of their official duties and responsibilities, not to exceed $1,000.00 a year for travel and other expenses per Board Member. (Section 3-10A-04 of the Education Article) Each Board Member has a stewardship responsibility for these expenses and should work toward keeping them as low as possible.

Unique circumstances may require action outside of these guidelines. If such a situation arises, Board Members should use good business judgment. When possible, the circumstances should be reviewed with the Board President prior to the event.

General Travel Planning
Travel plans should be discussed with the Board President in advance of the event. Consider total costs and how one element of travel expense can either increase or decrease another.

Upon approval of the trip, a Registration/Reservation Request form must be completed with all the necessary papers attached to make all of the arrangements. The Registration/Reservation Request needs to be submitted to the Finance Department at least three weeks prior to registration deadline, or as soon as the information is received.

Cash advances are available; however, the need for such advances should be minimal. Advances are issued one week prior to departure. When an advance is received, a summary of expenses with receipts and refund of money, when applicable, must be sent to Finance via the Superintendent’s office within 10 days of return from the trip.

Original and itemized receipts are required for all individual expenditures.

If a Board member combines personal travel with business travel, reimbursement will be limited to the most economical expense that would have been incurred in traveling on the most direct route, between the location of QACPS business and the Board member’s home.

Registration
All registration paperwork must be completed by the Board member and submitted with the Registration/Reservation Request at least three weeks prior to registration deadline or as soon as the information is received. Registration and payment, if applicable, will be made and paid for by the Finance Department.
Commercial Air Travel
Arrangements for commercial air travel will be made and paid for by the Finance Department. The lowest coach airfare will be selected. Cash or credit received for being bumped from flights must be returned to QACPS.

The Finance Department should be given at least three weeks’ notice to make the necessary reservations. All preferences for dates and times of travel should be indicated on the Registration/Reservation Request form. The Finance Department will, to the best of their ability, adhere to the dates and times of departures and returns as indicated by the Board Member.

Hotels
Hotel accommodations will be secured by the Finance Department as indicated on the Registration/Reservation Request. Porter and baggage gratuities are reimbursable.

Parking can be a significant added cost in major metropolitan areas. Upon checking in, ask if any lower rates are available, since rates can change frequently.

Car Rental
A mid-size or smaller car should be used, unless four or more people are traveling together, or when a larger car will avoid additional car rentals. Whenever possible, rental cars should be refueled before being returned to avoid costly surcharges. All tolls and parking associated with the use of a rental car are reimbursable.

Personal Automobile
Consider whether the use of a personal car is practical, on a trip-by-trip base, based on these factors:

The cost of mileage, the amount of time required to drive, how long you will be away, and the resulting parking costs. Whenever possible, satellite parking should be used. Perhaps an alternate means of transportation, such as a shuttle service would be preferable, in some cases.

Telephone Calls
Avoid hotel surcharges on long distance telephone calls by using a telephone calling card. A detailed, itemized listing including date, time, duration of call, telephone number called, cost and business purpose is required for all reimbursement of telephone calls.

Daily Meals & Conference Refreshments
The per trip average maximum reimbursable cost for meals, including associated tax and gratuities, is $60.00 per day. No alcoholic beverages, tips and taxes associated with these beverages will be reimbursed. Always request itemized receipts. If the registration fee includes certain meals, meals purchased in the place of these will not be reimbursed.

Accounting for Expenses
In order to account for all expenses associated with the trip, obtain all itemized receipts, summarize and attach them to the Travel and Expense Report. Monies from the trip owed to the Board Member will be approved and payment to the Board Member will be made within 14 days of receipt, subject to the approval.
In the case of an advance, obtain all itemized receipts, summarize and attach them to the Travel and Expense Report. If there is a refund due to QACPS from an advance, please make check payable to QACPS.

The Travel and Expense Report must be submitted to the Finance Department within 10 days from return date of the trip.

Board members may be concerned about whether a particular expense is reimbursable. The following is a list of expenses that will normally not be considered for reimbursement. Questions should be discussed with the Board President.

**Expenses Not Reimbursable: (This list is not all inclusive)**
- In-room movies at hotel
- Mini bars
- Laundry and valet services
- Membership fees for airline and frequent flier clubs
- Membership for health clubs
- Hotel club memberships
- Snacks and refreshments not associated with a business meal or conference
- Incremental costs of double over single occupancy rates when a spouse or guest is not in an authorized travel status
- Excess baggage charges for personal luggage
- Pet care
- Hotel charges associated with cancellation where reasonably prudent actions were not taken to avoid such charges
- Air flight and travel insurance
- Loss of personal funds and property
- Parking tickets or traffic violations
- Clothing/personal items
- Personal charge/credit card fees
- Airline upgrades
- Childcare expenses
- Spouse or guest expenses

**Equipment Use by Board Members**
If equipment is purchased by Queen Anne’ County Public Schools for the use of a Board member, that equipment is the property of Queen Anne’s County Public Schools and reverts to QACPS at the conclusion of the member’s term of office. All efforts will be made to supply the member with operable equipment from within the inventory of QACPS.
Recognition of Service

At the conclusion of his / her tenure in office, a Board member shall be presented with a framed certificate of appreciation, an appropriately engraved plaque, and a lifetime, complimentary pass to all activities sponsored by QACPS.
