

# Church Hill Elementary School PTA Membership Form

The PTA invites you to get involved in any way that you can. Signing up does not mean that you are going to be trapped in a black hole of volunteering or even that you have to attend meetings. Joining the PTA means that you are willing to give whatever time you want. But more importantly, your membership means that you stand for the same thing we stand for; making a difference in the lives of our children, of all children at CHES.

Please make checks payable to "CHES PTA." If paying with cash, please pay exact amount due.
