STAND UP AGAINST SUBSTANCE ABUSE
QAC Goes Purple is a substance abuse awareness and prevention program that engages our community and empowers our youth to stand up against substance abuse.

QAC Goes Purple includes purple clubs in our high schools, through which students learn they do not need drugs or alcohol to meet life's challenges. The project encourages our youth and community to 'Go Purple' as a sign of taking a stand against substance abuse.

The project is based upon THP Project Purple, an initiative of The Herren Project, a 501(c)(3) non-profit foundation established by former NBA basketball player, Chris Herren, that assists individuals and families struggling with addiction.

QAC Goes Purple is an initiative from the Queen Anne's County Office of the Sheriff and Queen Anne's County Drug-Free Coalition, in partnership with the Opioid Intervention Team/QAC Department of Health, Queen Anne's County Public Schools, Queen Anne's County Commissioners and Mid-Shore Community Foundation.
