FAQs about this Administration:

- Are SAT scores required for college admission due to COVID-19? Individual colleges have adjusted entrance criteria due to COVID-19. Please check with your school counselor about specific college entrance requirements.
- What do we do if we don't do well and wish to retake the test? You can register for other testing opportunities through the College Board.
- Do we have to register through College Board, or does the school sign me up? Both. You will want to create a College Board account, if you do not already have one. This will allow you to access your scores. However, you do not need to register for this test as QACPS has taken care of registration for you.
- How long will it take to receive scores? Scores will be available on October 15, 2020
- Do we have to pay for the test? No. QACPS has budgeted to provide the SAT to Seniors and Juniors this year, free of charge. This administration is only for Seniors. Juniors will take the SAT on March 24th.
- Will transportation be provided? Yes, but the need for transportation must be indicated on the form linked above. Please complete this by 9/9.
