SUBJECT: Small Group Opt-Out Form

During virtual learning, your child may be invited to participate in small group instruction. Small group instruction is an integral component of the academic program, ensuring that students have equitable access to personalized instructional support. Students may be invited to participate in small group instruction via virtual learning or face-to-face instruction at school for a variety of reasons such as academic support or social-emotional support. If invited, your child’s participation is encouraged but not required. This opt-out form is being provided if you prefer that your child only engages in instruction that is provided for the whole class.

Please complete this form and return it to your child’s teacher by September 10, 2020, if you prefer to opt-out of small group instruction.

_____ I DO NOT want my child to participate in small group instruction via virtual learning.

_____ I DO NOT want my child to participate in small group instruction face-to-face in the school building.
