Uniforms have been dry cleaned and are back in the uniform bags.

Unfinished Business to discuss at the meeting –

Dress rehearsal dinner on Monday, February 25th – plan on feeding 110 people. Mona will check in the shed to see what is needed from Sam's Club.

Old uniforms – in order to sell them, how were the boxed up when the new uniforms arrived? Mona saved all of the hangers.

Need to plan for All Shore. Mr. Wright said the first thing to do is book the caterer for the rehearsal dinner on 4/6. He gave Mona the binder with all of the information.

New Business to discuss at the meeting –

District Band Festival is on March 13th and 6 chaperones are needed. Also, need someone to pull the band trailer. Leave around 12:30 p.m. and return after dinner.

Meeting adjourned at 7:07 p.m.
