Due to the shift to virtual learning for the Fall semester, the high school grading policy has been adjusted in order to provide students a better method to demonstrate their mastery of the content. The grades will now be divided into two categories: Mastery Assessments (50%) and Progress Assessments (50%). The previously utilized Final Exam category has been incorporated into the Mastery Assessment category in order to better align with online learning. Mastery Assessments will continue to be any assignment that demonstrates the summation of a student’s learning - tests, projects, essays, etc. Progress Assessments will continue to be any assignment that demonstrates a student’s progressing towards mastery of a concept - daily work, quizzes, discussion participation, etc.

Students will have three days from the assigned due date to submit work late; each day after that, the assignment will be docked 10% off the final score. I will establish a due date and a deadline for each assignment. After the deadline, late work will not be accepted. In extenuating circumstances, please contact me ASAP via email, preferably.

Course Outline

French I students will be able to use French effectively in a range of situations and for a variety of purposes, to understand French as it is spoken in formal and informal social situations, to demonstrate knowledge and develop awareness and appreciation of the French language and culture, and to develop knowledge and awareness of major historical events and geographical aspects of the French culture.

The emphasis is on what you can do with the language (functional use). Since cultural awareness assists in communicating, this awareness will be developed through interaction with authentic resources.

requested time, we will work together to find a time that works.

 Attendance

In order to be marked present for each
class, each day, students must login to
Schoology for each class, each day, and
complete any work assigned for that day.
Students should contact their teachers and
guardians should contact the front office
if a student must miss a class, or a full day
of classes, in order to ensure that the
missed instruction is marked as an
excused absence. Students are responsible
for making up any and all work missed
due to an excused absence in order to
receive credit for that work. All make up
work must be completed by the established
deadline or other arrangements must be
made with the teacher.

 Academic Dishonesty

All students at Queen Anne’s County High School are
expected to conduct themselves with great pride in
academics and the community at large. To this end, it is
expected that all students will maintain academic
integrity in every assignment. Work must be completed
individually unless otherwise directed by the teacher. In
our virtual learning environment, student work may
only include the electronic resources provided or
recommended by the teacher. Submitting work copied
from non-approved electronic resources such as an
online translator is still considered plagiarism.

Plagiarism (the practice of taking someone else’s work
or ideas and passing them off as one’s own) is a severe
offense at QACHS and will result in immediate
consequences, such as: Parent Contact by email or
phone, Detention or Referral (depending on the severity
of plagiarism or assignment), Immediate Zero on the
Assignment (Possible “redo” of the assignment for
partial credit is at the discretion of the instructor)
