STEVENSVILLE MIDDLE SCHOOL
After School Program Registration Forms
Spring Session: February 20, 2023 - May 26, 2023,
Monday, Tuesday, Wednesday, Dismissal - 4:30 pm

Partnering for Youth is now in its 27th year offering after school opportunities to our students and families in Queen Anne's County. Through grant funding and other generous contributions, as well as the valued partnership with the QAC Board of Education, we are able to offer a three-day program at your school. We will be offering a variety of fun and dynamic activities to support extended learning and encourage social, emotional, and physical wellness.

Partnering for Youth is a QAC Board of Education program receiving in-kind contributions such as fiscal & personnel management, support services, and facilities use. Our funding partners are Chesapeake Charities, the QAC Commissioners, The Clifton Foundation, Community Partnerships for Children & Families, in addition to the generosity of local families and community members like you. If you are able, please, consider making a charitable contribution to keep after school programs available in Queen Anne's County (see page 2).

We look forward to seeing your child thrive in fun and learning after school this year!
Christine Betley, Program Coordinator

STMS Spring Session 2023 – Information Sheet

Please keep this sheet for your reference.

- Enrollment into activities ***is on a first-come, first-serve basis.*** All registration forms will be collected each day, numbered, and assigned to activities. If your first choice is full or unavailable, the second choice will be selected, etc. If all activities chosen are full, you will be placed on a waiting list. Each day we will register children using the same process until all activities are full. **Return your forms as soon as possible to increase the possibility of securing your preferred activity choices. If enrolling 2 or more children at the same school into PFY, please staple their registrations together before submitting.**

- **Please plan on your child attending their enrolled activities each time they meet** for the full duration of the activity. When your child is present at school but not planning on attending PFY, we ask that you send a note to the site coordinator. If we do not receive a note, parents/ guardians will receive a phone call from the site coordinator to verify your child's location. On this note, please state the reason for not attending the program. If calling the school, please state the reason when leaving a message for PFY. If the reason is not indicated, your child will be marked as an unexcused absence. Chronic unexcused absences and early pick-ups may result in a request to withdraw your child from the activity to allow another child to participate.

- If you plan to pick your child up early, send a note to the PFY site coordinator. The central location for the after school program is the cafeteria.

- Dress for success! Have your child wear appropriate clothes for the activities they choose.
  For physical activities, sneakers must be worn for safety and loose-fitting clothing will work best. If an activity is scheduled to take place outside, be prepared! In inclement weather, outdoor activities will take place indoors or an alternate activity will be offered that day.

- Only the parents/guardians or authorized individuals listed on the transportation form will be allowed to sign your child out. Anyone picking up a child from the after school program must be prepared to show photo identification**.** Please send a note to the PFY site coordinator if the authorized individuals change. Be sure to include any contact phone numbers in the note.

- The program will not take place when schools are closed for full days or half days. It is sometimes necessary to cancel the after school program when weather is deteriorating during the day. Call the PFY office (410-758-2403 ext 150) for information or check the BOE website, www.qacps.org, for current after school activity status. If time allows, you will receive an automated phone/text/email message if you have agreed to receive them through the school.

- Activity confirmations will be sent home with the children to confirm their activity enrollment. All activities have minimum enrollment requirements. You will be notified by phone if the status of the activity offering changes. Questions? Call 410-758-2403 ext 150.

- The PFY site coordinator for STMS is **Ms. Jane Steimer may be reached at 410 490 1708** after school, or in school at 410 643 3194 x 2124 or by email at jane.steimer@qacps.org

- You may also call or email Christine Betley, PFY Program Coordinator, at 410-758-2403 ext.150 christine.betley@qacps.org with questions or concerns.

PFY Expectations & Consequences

1.Respect Yourself	1.Verbal warning
2.Respect Others	2.Time-out
3.Respect Property	3.Phone call to parent/guardian
	4.Meet with parent/guardian
	5.Dismissed from Program

All actions and consequences will be recorded in an Incident Log or Report. Depending on the severity of the incident, some consequence steps may be skipped. Anyone jeopardizing the safety of themselves or others will be removed from the program. Insubordination, disobeying authority, will not be tolerated.

At school dismissal, children will come to the cafeteria where attendance will be taken. They will receive a snack and have a short period of time to socialize with friends.

Homework Policy:
Children will work on homework for approximately the first 20 minutes of the program. If a child would like more time, they may remain in the cafeteria with the site coordinator. This is a mandatory homework policy. If your child does not have homework, they will be expected to read independently until their activity begins. Please discuss this expectation with your child. It will be the children's responsibility to have their assignments with them when they arrive in the cafeteria for PFY. We will encourage your child to use their time wisely. If you feel your child needs to accomplish more during this time, please call to discuss this with the site coordinator.

Personal Electronic Device Policy/Regulations:
- According to the QACBOE policy, students may possess electronic devices (any device used for receiving or transmitting personal communications like a call or text) if written authorization from the parent/guardian has been approved by the school administrator (approved letters are kept on file at the school for one school year). Prior to entering the school, all electronic devices must be turned off and removed from sight.
- While attending PFY, **on site and off site, all electronic devices must remain turned off and out of sight.** Only with permission from the bus driver may children use their electronic devices during transportation home.
- Students who refuse to turn off and keep their electronic devices out of sight will face disciplinary action, which may include device confiscation, parent contact by site coordinator, and if a student refuses to comply they may be dismissed from the program.
- Please help us **help your children to unplug and enjoy their after school activities** by supporting this policy. If you have any questions, call Christine Betley, Program Coordinator (410-758-2403 ext 150).

Concussion Policy:
- A concussion is a brain injury and all brain injuries are serious. They are caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly.
- Partnering for Youth site coordinators, program coordinators, and the program director will be required to view the online CDC "Heads Up" training (https://headsup.cdc.gov/) each school year to remain informed about concussion protocols.
- After an accident, if a child reports any symptom or a staff member observes any sign of a concussion, a "Notification of Potential Head Injury Form" will be completed and shared with the school. The parent/ guardian will immediately receive a copy of this form advising them to seek medical care. This form will remove the child from physical play until cleared by an authorized health care provider requiring a signature and return of the form to the PFY Site Coordinator. You may also call or email Christine Betley, PFY Program Coordinator, at 410-758-2403 ext. 150 christine.betley@qacps.org with questions or concerns.
