GENERAL TERMS AND CONDITIONS
Request for Proposal

Instruction to Bidders and Offerors

The following provisions, where applicable, will become part of any contractual relationship developed as a result of the bid/proposal solicitation.

1.0 A REQUEST FOR PROPOSAL SUBMISSION

1.1 The Board of Education of Queen Anne’s County hereinafter referred to as Queen Anne’s County Public Schools or QACPS, invites all interested and qualified offerors to submit a proposal. These specifications and requirements identified in the attached statement of work and detailed specification are intended to cover the service(s) requested.

1.2 In accordance with State law and QACPS policies, solicitations shall be published a minimum of fourteen (14) calendar days in advance of due date for any proposal having a potential award value of $25,000 or more.

1.3 Unless otherwise indicated, QACPS shall receive sealed proposals until the date and time indicated on proposal or as modified by addenda. Proposals must be delivered to QACPS, Purchasing Department, 202 Chesterfield Avenue Centreville, Maryland 21617. Proposals must be delivered in sealed envelopes and clearly marked on the outside: Name of Offeror, Due Date and Time, Solicitation/Proposal Number and Solicitation Title. Late proposals will be rejected and returned unopened.

1.4 The Offeror or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, circumstances, prerequisites, qualifications and/or specifications before submitting their proposal. An Offeror’s failure to become fully informed is at the Offeror’s sole and complete risk of loss. The Offeror shall have no right to any damages, cost and/or any other remedy at law or equity against QACPS for any miscalculation, misunderstanding, error (either omissions or commissions), mistake, misinterpretation, and/or the failure by the Offeror to obtain an award of proposal, award of contract and/or profits, fees or money from QACPS when the Offeror failed to fully inform themselves. In the case of error in extension of prices in the Proposal, the unit price shall govern or the entire proposal may be declared non-responsive.

2.0 PROPOSAL PREPARATION, PROPOSAL SHEET, AND PROPOSAL OPENING

2.1 Offeror must submit the requested documentation with original signatures using QACPS proposal forms. The Offeror should make and retain one (1) copy of the Proposal for their files and submit one (1) original and six (6) copies, preferably in electronic media for committee review. Proposals must be signed and submitted by an authorized representative of the Offeror.

2.2 Signed proposals shall be returned in a sealed envelope. When the Proposal is sent by mail, the sealed envelope shall be enclosed in a separate sealed mailing envelope with the notation "SEALED PROPOSAL ENCLOSED" on the face thereof. QACPS shall not accept any facsimile transmission or electronic submission to QACPS purchasing agents, representatives or employees as meeting the requirement of the sealed proposal. A facsimile or electronic document shall not be considered a valid response to the solicitation.

2.3 Each proposal should show the full business address, telephone number, fax number, email address, and federal tax identification number of the Offeror and be signed by the person or persons legally authorized to sign contracts. All correspondence concerning the Proposal and Contract, including Letter of Intent, copy of Contract, and Purchase Order, will be mailed or delivered to the address shown on the Proposal in the absence of written instructions from the Offeror to the contrary.

2.4 All offerors shall be required to complete the certificates and/or affidavits, and/or acknowledgements that are incorporated into the proposal pages of this specification. Such documents are required by Local, State or Federal funding agencies of QACPS as part of the solicitation process. The documents may include but are not limited to: Anti-Bribery Affidavit, Debarment Certificate, Employment of Sex Offenders and Other Criminal Offenders Affidavit, Sales Tax Certification, Minority Bidder Status and any others that may be required.
2.5 Proposal Due Date

2.5.1 Sealed proposals for the requirements identified in the attached statement of work and detailed specifications, as required by the Board of Education of Queen Anne’s County, are due at the time and date so specified. Unless otherwise indicated, proposals are due to the Purchasing Department, 202 Chesterfield Avenue, Centreville, Maryland 21617.

2.5.2 The Board of Education of Queen Anne’s County must approve contract awards of $25,000 or more. Formal contract award is contingent upon the required Board approval.

2.5.3 Offerors may correct a minor irregularity and minor irregularities may be waived. A minor irregularity is one that is merely a matter of form and not of substance or pertains to an immaterial or inconsequential defect or variation in a bid, the correction or waiver of which would not be prejudicial to other offerors. When so noted, minor irregularities may be corrected within forty-eight (48) hours following notification.

2.5.4 QACPS also reserves the right to reject any or all proposals and/or waive technical defects and minor irregularities at the discretion of the CFO, QACPS or designee if, in its judgment the interests of QACPS shall so require. Proposals may be withdrawn before the scheduled time due. Withdrawal is not permitted after the scheduled time due.

2.5.5 Any omissions, errors, conflicts, or discrepancies in this document shall be called to the attention of QACPS IN WRITING within five (5) working days prior to the proposal due date.

2.5.6 Omission of any specification or details of any specification which would normally apply to the service(s) described herein shall not relieve the Offeror from fulfilling those required specifications needed to provide service best suited to the intended purpose of this contract as determined by the CFO.

2.6 At the time of the solicitation opening each Offeror will be presumed to have read and to be thoroughly familiar with the specifications and related documents (including all Addenda). The failure or omission of any Offeror to receive or examine any form, instrument, or document, shall in no way relieve them from any obligation in respect of its proposal.

3.0 AWARD OR REJECTION OF PROPOSALS

3.1 This document is a Request for Proposal (RFP) which differs from an Invitation for Bid in that QACPS is seeking a proven solution for the requirements described in the RFP document. As such, price is not the determining factor regarding the contract award.

3.2 As defined by the American Bar Association Model Procurement Code, Competitive Sealed Proposals (RFP) will be evaluated based upon criteria formulated around the most important features of a service, of which quality, testing, reference, and technical expertise and capability may be overriding factors, and price may not be determinative in the issuance of a contract or award.

3.3 The Proposal evaluation criteria should be viewed as standards that measure how well a proposal meets the intended outcomes described in the performance work statement. Those criteria that will be used and considered in evaluation for award are set forth in this document.

3.4 All proposal documents will become the property of QACPS. Proposals must be submitted in accordance with the requirements set forth in this RFP.

3.5 The Board of Education reserves the right to reject any or all proposals, and/or waive technical defects if, in its judgment the interests of the Board shall so require. Minor differences in the specifications or other minor technicalities may be waived at the discretion of CFO or upon recommendation to the Board of Education.

3.6 The Board of Education reserves the right to reject the Proposal of firms who have demonstrated performance deficiencies or who have previously failed to perform properly or complete other Board contracts on time.

3.7 The Board reserves the right to award to contract within 120 days from the due date and all pricing must remain firm during that period and until the time of award.
4.0 REMEDIES AND TERMINATION

4.1 Correction of Errors, Defects, and Omissions – The Consultant agrees to perform work as may be necessary to correct errors, defects, and omissions in the services required under this agreement without undue delays and without cost to QACPS. The acceptance of the work set forth herein by QACPS shall not relieve the Consultant of the responsibility.

QACPS shall pay the Consultant fair and equitable compensation for satisfactory performance prior to receipt of Notice of Termination, less the amount of damages caused by Consultant’s breach.

4.3.3 If the damages are more than the compensation payable to the Consultant, the Consultant will remain liable after termination and QACPS can affirmatively collect damages.

4.4 Termination for Convenience – QACPS may terminate all or part of the work required under this contract for the convenience of QACPS with a thirty (30) day notification. In the event of such termination, the Contract Administrator shall determine the costs the Consultant has incurred to the date of termination and such reasonable costs associated with the termination. QACPS shall pay such costs as determined by the Contract Administrator to the Consultant together with reasonable profit reasonably earned by the Consultant to the time of termination but not to include any profit not earned as of the date of termination.

4.5 Obligations of Consultant upon Termination – Upon Notice of Termination as provided in Sections 4.3 and 4.4, the Consultant shall:

4.5.1 Take immediate action to orderly discontinue its work and demobilize its work force to minimize the occurrence of costs.

4.5.2 Take such action as may be necessary to protect the property of QACPS, place no further orders or subcontract, assign to QACPS in the manner and to the extent directed by QACPS all of the right, title and if ordered by QACPS possession and interest of Consultant under the orders or subcontracts terminated.

4.5.3 Deliver to QACPS all materials, equipment, data, drawings, specifications, reports, estimates, and such other information accumulated by the Consultant which has been or will be reimbursed under this agreement after taking into account any damages that may be payable to QACPS. Title to such items shall be transferred to QACPS.

4.6 Remedies Not Exclusive – The rights and remedies contained in this general condition are in addition to any other right or remedy provided by law, and the exercise of any of them is not a waiver of any other right or remedy provided by law.

5.0 MULTI-AGENCY PROCUREMENT

5. ABOUT THIS DOCUMENT

This document is a Request for Proposal (RFP). It differs from a Request for Bid/Quotation in that Queen Anne’s County Public Schools is seeking a solution, as described in the following sections, not a bid/quotation meeting firm specifications for the lowest price. As such, the lowest prices proposed may not guarantee an award recommendation. As defined in the American Bar Association Model Procurement Code, Competitive Sealed Proposals will be evaluated based upon criteria formulated around the most important features of the service, of which quality, testing, references, and availability or capability, may be overriding factors, and price may not be determinative in the issuance of a Contract or award. The proposal evaluation criteria should be viewed as standards that measure how well a Firm(s) approach meets the desired requirements and needs of Queen Anne’s County Public Schools. Those criteria that will be used and considered in evaluation for award are set forth in this document.

No negotiations, decisions, or actions shall be initiated by any proposers as a result of any verbal discussion with any Queen Anne’s County Public Schools member prior to the opening of proposals in responses to this document. RFP Offerors shall make no contacts – either written or verbal – with any individual other than the individual identified herein during the period beginning with the issuance of this RFP through approval of award. Any attempt by a supplier/proposer to influence a member or members of the aforementioned may be grounds to disqualify the proposer from further consideration.
