Our Mission: The Family Center of Queen Anne's County's mission is to empower parents and children to shine!

Our Vision: The Family Center of Queen Anne's County's vision is to empower and encourage families to reach their highest potential. We help provide the best possible start in life for families through a nurturing and welcoming environment. We are committed to working in partnership with families while respecting individual and family strengths.

Our Goal: The Family Center of Queen Anne's County is sponsored by the Queen Anne's County Public Schools. Funding provided by Maryland Family Network, and our generous community. Our goal is to support families with young children (prenatal until their fourth birthday) in becoming prepared for school success by empowering and educating parents to be their child's first and most important teacher.
