OPPORTUNITIES FOR PARENTS & CHILDREN PRENATAL THROUGH 5 YEARS OLD

P.R.I.D.E. – “Parenting Realistically with Intention, Determination, & Excellence” is a group discussion facilitated by our Mental Health Consultant that is geared towards promoting a healthy parent, a healthy child, and a healthy family.

Career Exploration – Learn how your peers earned their careers and reached their goals!

Themed Playgroups – Opportunities for parents and their children to play together. A variety of themed activities will be offered.

Health & Safety Programs – A variety of programs are provided by the QAC Health Department, Priority Partners and other community partners. Other health activities include Mental Health, Children’s Safety, Family Planning/Preconception Health, Cooking, and Exercise!

Parent Education – Nationally Accredited Programs facilitated by one of our staff members to help you become the best parent you can be! Currently offering “The Nurturing Parenting Program” and “Circle of Security Program.”

Parent Advisory – Join us to discuss our center! The Great, The Good, The Not-So-Great, & how to improve your experience with us! YOUR INPUT MATTERS!

Coffee Talk – Miss having conversations with other parents? Need to vent? Need advice? Well, this is for you! No agendas, no topics, just catch up with your peers from the center!

Our Mission: The Family Center of Queen Anne’s County’s mission is to empower parents and children to shine!

Our Vision: The Family Center of Queen Anne’s County’s vision is to empower and encourage families to reach their highest potential. We help provide the best possible start in life for families through a nurturing and welcoming environment. We are committed to working in partnership with families while respecting individual and family strengths.

Our Goal: The Family Center of Queen Anne’s County is sponsored by the Queen Anne’s County Public Schools. Funding provided by Maryland Family Network, and our generous community. Our goal is to support families with young children (prenatal until their fifth birthday) in becoming prepared for school success by empowering and educating parents to be their child’s first and most important teacher.
