

Cindy Clark

Bilingual Early Childhood Liaison

Judy Center Early Learning Hub at Sudlersville Elementary School

Cindy Clark has more than twenty years of experience helping, guiding, advocating and caring for children. It's her passion. Cindy has worked in every type of school setting from private to public, including The Walt Disney Children's Center and The Los Angeles School District.

By focusing on child development, Cindy has opened new preschool classrooms and was in the process of opening a dual-language PreK; however, she moved to Maryland.

Cindy has her Bachelors of Science from University of LaVerne in Early Child Education and her Associates of Arts Degree in Liberal Arts from East Los Angeles College in California. She also has a Certificate of Completion from East Los Angeles Occupational Center in Early Childhood.

When Cindy is not working she enjoys family time, her dog and three fish tanks, reading comic books, video games, house projects, and of course, dyeing her hair different colors.
