Topic/Item	Notes
Welcome	The agenda was reviewed.
New Course Proposal	<b>Supervisor Amy Smith presented the new Mathematics Course- Financial Algebra: Daily Living and Planning.</b> It will be presented at the Board Meeting on Wednesday, Dev 6. This course will include hands-on project based learning including finding loans, checking, systems of equations, functions, budgeting, taxes, exponential growth dealing with real life situations.
Outdoor Adventure Course Review	<b>Supervisor Michael Page presented the new Outdoor Adventure Course.</b> The course is designed to be a non-traditional Physical Education course including camping, fishing, archery, hiking, etc. The Program was created through a Program called Outdoor Tomorrow Foundation
Calendar	<b>Dr. Kibler presented 3 calendar options for the 2024-25 school year.</b> The group discussed each option and agreed to move forward with the presentation of the 3 calendars to the Board.
Policy Review	<b>Dr. Kibler will send an email with policies to the group for feedback.</b>

**Next Meeting: Wednesday, January 31st**
