

Queen Anne's County **BELIEVES** **Character Counts!**

January 2024

Pillar of the Month

FAIRNESS

- Play by the rules.
- Take turns and share.
- Be open-minded. Listen to others.
- Don't take advantage of others.

The pillar for this month is **FAIRNESS**. This can be a challenging concept for children and adults alike because many confuse fairness with equality.

While equality is making sure everyone has exactly the same, regardless of need, fairness is when everyone gets what they need to be successful. Consider the cartoon. Is it fair to give everyone the exact same exam? Do certain animals have an unfair advantage?

Fairness is also about being open to other ideas and inclusive in your dealings with people. It is often said we were born with one mouth and two ears for a reason!

Even our youngest citizens are taught to share and take turns. How will you demonstrate "fairness" this month?

One Word Resolutions!

New year resolutions are often hard to keep and usually fall by the wayside by the end of January. This year, consider a ONE WORD resolution instead. Choose a word that will help you be the best you this year. Write it down and keep it with you. Here are some of our favorites:

love / listen / focus / create / read
play / laugh / friends / simplicity
joy / harmony / balance / patience
adventure / exercise / forgive
compassion / accept / peace / pray
breathe / appreciate / relax / smile

Whatever you do, have the best year ever!
