QUEEN ANNE'S COUNTY PUBLIC SCHOOLS
Where Our Future Begins

NEWS RELEASE

October 15, 2024

Rugby Comes to Queen Anne's County!

Last week, students at Kennard Elementary School (KES) had the exciting opportunity to explore the world of rugby. Thanks to a partnership with Imagine Rugby and Major League Rugby, KES students learned about the fundamentals of the sport, practiced their skills, and even took part in a flag rugby game.

Mr. Mace Davis, KES's health and physical education teacher, led the week-long event after attending a district-wide professional development session in August, where all K-12 Physical Education teachers learned about rugby. With Imagine Rugby generously donating the equipment and their time, the day was a fun-filled success, giving students a unique experience they won't forget!
