Maryland State Department of Education (MSDE)
Division Special Education
Directory of Local Family Support Servies

The MSDE Family Support Section provides the following support:

- Provides strategic collaboration and support with families, partners across State agencies, across divisions within MSDE, among public education agencies, and advocates and community partners.
- Provides information, policy guidance, and frameworks that govern the provision of early intervention services and special education, including actions in response to new legislative policies, and transparent and ongoing communication with families.
- Provides clarification on federal and State special education laws and regulations to local school system/agency family support staff and families.
- Provides Statewide training opportunities to all local school system/public agency family support staff and community partners; and
- Provides direct training for new local family support staff.
