How it works...

**Step 1**
Student witnesses unsafe or suspicious activities.

**Step 2**
Student sends an anonymous text message using school's unique KEYWORD (CENTREVILLEMS) followed by message to 68398.

**Step 3**
Student receives auto response that their message has been received and further information will be obtained through two-way text chat.

**Step 4**
If student has pictures or video they will receive instructions for sending them.

**Step 5**
Text message and email will be sent to school contact providing detailed information and pictures/video if available.

**Step 6**
School administrator will follow-up as appropriate.

**At all stages student identity will remain confidential!**
