Standards for School Attendance

All students are expected to attend school regularly and to be on time for classes in order to benefit from the instructional program and to develop habits of punctuality, self-discipline and responsibility.

The standard for regular attendance is 100% unless lawfully absent. Attendance is an important factor in determining grades.

A. In middle school, parents may excuse absences by phone or by note NO MORE than 10 occasions in combination during the school year. 10 or more unlawful absences during the school year may result in course failure. This decision may be appealed to the Attendance Review Committee. This committee will be established at each middle school and will meet as needed.

B. Students receiving special education or have a 504 Plan will be referred to the SST or IEP team to determine possible course failure for excessive unlawful absences.

C. Transfer students, with a poor attendance history, may be required to complete an Attendance Contract.

D. There shall be no makeup work for students who are unlawfully absent. After 15 days, any unlawful absence cannot be changed to a lawful absence. (See course syllabus for make-up procedure)

“Habitual Truants” are student who are unlawfully absent from school for a number of days or portion of days in excess of 20% of the available time school is in session.

E. When a student is truant, the parent will be notified and disciplinary action will be taken via normal disciplinary procedures.

Student Trips - A written request must be provided to the principal at least two weeks in advance
Consequences for middle school students not meeting the standard for school attendance in the Queen Anne’s County Public Schools’ Attendance Procedure are as follows:

1. Beginning with the sixth absence of the school year, an attendance letter from attendance staff to the parent is to be sent, signed by the school counselor.

2. Beginning at the tenth absence of the school year an attendance letter from attendance staff and signed by the principal will be sent. The letter would indicate the need for a conference with the school counselor to develop a plan to correct the attendance problem. A copy of the letter goes to the school counselor, PPW and cumulative file.

3. Parents of students receiving special education services or who have a 504 Plan will be sent a letter referring them to the SST or IEP team to schedule a meeting to address attendance.

4. A list of students having ten unlawful absences per semester will be reviewed by the Student Support Team (SST). Those found in violation of the policy will be sent a letter indicating course failure.

5. Students having ten unlawful absences during the school year and who receive special education services or have a 504 Plan will be sent a letter referring them to the SST or IEP team to make a determination about course failure.

Student Support Team (SST) will document parent contact of unlawful absences when they reach 10 unlawful absences. The SST will share the data and information with teachers. Teachers will comment on mid-terms/report cards: Absences impede progress.

A Master List of those students having 10 unlawful absences and failing grades will be kept by the attendance office as well as a list of those appealing and the results of those appeals.

6. Parents may appeal the failing grade and must do so in writing one week prior to the end of the school year. An appeal committee, made up of middle school staff, will review all written appeals to determine whether the student will earn a passing grade in the course.

7. Those students whose appeals are denied will be notified by letter.
